WiSE UP 2016

Engineering Summer Bridge
June 20 - July 20, 2016
UW Seattle Campus
WHAT IS WISE UP?
• An energetic, 4-1/2 week commuter summer experience with a focus on strengthening our incoming students’ commitment to a future in engineering.
• An introduction to strategies and learning processes that help students be productive and successful in college.
• An opportunity for incoming students to engage with the UW academic community and the peers who will become an integral part of a successful transition.

BENEFITS OF WISE UP:
• Participation in Engineering 202: Introduction to Engineering Design. A 3 credit first year course geared for the engineering major.
• Introduction to engineering prerequisites courses such as math, physics, and chemistry.
• Exploration of engineering majors through combination of class instruction, labs, seminars, and industry engagement.
• Introduction to resources, strategies and skills for academic success and survival at the collegiate level.

WHO QUALIFIES FOR WISE UP?
• UW Autumn Quarter 2016 incoming first-year students planning on majoring in engineering and/or computer science.

WHEN IS WISE UP?
• WISE UP is a commuter program which will take place on the UW Seattle Campus during Summer “A”. WISE Up will be held: June 20 - July 20, 2016
• Standard program days and times are Mon-Fri, 9:00 a.m. - 4:00 p.m.
• One weekend of participation is included and required in the program.
• Participants will attend the required UW Freshman orientation during the program duration.

WHAT IS THE COST OF WISE UP?
• Registration is $300.00.
• Interested in living on Campus during WiSE UP?
  o Residence Hall housing is available to WiSE UP participants and can be arranged through the UW Housing and Food Services (HFS) office. For more information contact the HFS Conference Services at (206) 543-7636 / hfsconf@uw.edu.

HOW DO I APPLY?
• Apply online at: [http://tinyurl.com/WiseUp2016](http://tinyurl.com/WiseUp2016)
  Application Submission Deadline: Sunday, May 8th, 2016
