# Make an impact in Engineering at UW.

## Enroll in ENGR 498C: Leadership Development to Promote Equity in Engineering Relationships (P.E.E.R.s).

This 1-credit seminar enlists engineering students' creativity and social conscience to create an inclusive environment at the College of Engineering. Students explore topics like diversity, unconscious bias, stereotype threat, privilege, and learn how to be an ally.

*leadership*

Students who successfully complete the P.E.E.R.s seminar are eligible for internship opportunities as PEER Leaders.

**Course Instructors:** Dr. Joyce Yen, UW ADVANCE and Dr. Sapna Cheryan, Psychology
