

Experience eRecruiting Employer Account Set Up

Thank you for using the University of Washington's on-line job posting system, Experience eRecruiting. Below are the steps to follow to successfully set up your account and post your position.

1. SAMPLE INTRODUCTORY EMAIL FROM CO-OP

Dear Dawn,

Thank you for your interest in hiring engineering students from the University of Washington. The Engineering Co-op Program will assist you throughout the hiring process.

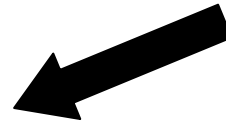

To get started, follow the link at the bottom of this email to set up your account and post your co-op position(s). Please let me know if you have any questions about the process and I will look forward to working with you!

Thanks,

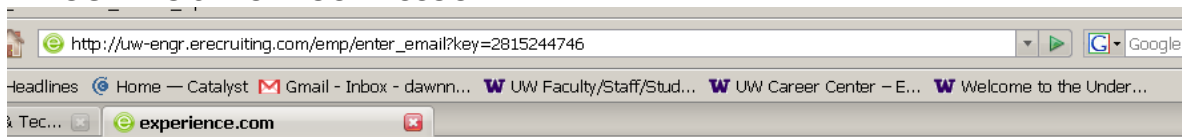

Dawn Wiggin
