

BART NIJSSEN

Curriculum Vitae

Civil and Environmental Engineering
More Hall, 201
Box 352700
Seattle, WA 98195-2700

nijsen@uw.edu
ce.washington.edu
www.hydro.washington.edu

EDUCATIONAL HISTORY

University of Washington, Seattle, Washington
PhD, Civil and Environmental Engineering
December 2000
Aspects of boreal forest hydrology: From stand to watershed

Wageningen University, Wageningen, The Netherlands
Ingenieur, Tropical Land and Water Management
August 1991
Sampling and modeling of transport processes in the vadose zone

EMPLOYMENT HISTORY

University of Washington
Seattle, Washington, United States
Professor and Chair, Civil and Environmental Engineering, 2022 - current

University of Washington
Seattle, Washington, United States
Professor WOT, Civil and Environmental Engineering, 2018 - 2022

University of Washington
Seattle, Washington, United States
Associate Professor WOT, Civil and Environmental Engineering, 2016 - 2018

University of Washington
Seattle, Washington, United States
Research Associate Professor, Civil and Environmental Engineering, 2014 - 2016

University of Washington
Seattle, Washington, United States
Research Scientist Principal, Civil and Environmental Engineering, 2011 - 2014

3TIER, Inc
Seattle, Washington, United States
Senior Vice-President Technology, 2005 - 2010

University of Arizona
Tucson, Arizona, United States
Assistant Professor, Civil Engineering and Engineering Mechanics / Hydrology and Water Resources, 2001 - 2005

University of Washington
Seattle, Washington, United States
Project Scientist, Civil and Environmental Engineering, 2001

Ursus Technologies
Seattle, Washington, United States
Software Engineer, 2000 - 2001

University of Washington
Seattle, Washington, United States
Graduate Research Assistant, Civil and Environmental Engineering, 1994 - 2000

AWARDS AND HONORS

2021 American Geophysical Union – Edward A. Flinn III Award. *For sustained buildup and maintenance of publicly available computational infrastructure for the global Earth science community.*

2019 American Meteorological Society – Editor’s Award: Journal of Hydrometeorology. *For continued, consistently high-quality, and very thorough reviews of difficult manuscripts*

2018 – current Allan & Inger Osberg Professorship

2017 Administrator’s Excellence Awards - Exceptional Public Service to BPA Award, April 2018, Bonneville Power Administration, Portland, Oregon.

Award for Excellence at the Student Interface, April 2004, University of Arizona, Tucson, Arizona

Preston, Gates & Ellis Intangibility Award, 2000, Electrical Engineering, University of Washington, Seattle, Washington

AFFILIATIONS AND OTHER APPOINTMENTS

National Center for Atmospheric Research
Boulder, Colorado, United States
Affiliate Scientist, Research and Applications Laboratory, 2017 - current

SCHOLARLY OUTPUT

H-index = 46 (Google Scholar); Total citations: 11,653 (Google Scholar); Citations in 2021/2022: 2,152 (Google Scholar). All statistics as of September 25, 2022.

References are in reverse-chronological order.

Notes: 1. Graduate student advised as major advisor at the time of the research on which paper is based; 2. Post-doctoral research associate; 3. Indicates that I am the corresponding author.

Refereed archival journal publications

Published
