

# WISE UP

COLLEGE OF ENGINEERING  
UNIVERSITY of WASHINGTON

## WHAT IS WISE UP?

- Engaging and energetic three-day commuter orientation experience for incoming students to meet the engineering academic community and peers.
- Compelling year long program that is designed to build learning skills, academic preparation, success and a clear understanding of the engineering profession.

## WHO QUALIFIES FOR WISE UP?

UW Autumn Quarter 2020 incoming first-year Direct-to-College engineering students.

## WHEN IS WISE UP ORIENTATION?

Monday, Sept. 21 – Wednesday, Sept. 23, 2020  
9:30a.m. – 5:30p.m.

## WHAT IS THE COST OF WISE UP?

- Registration is \$50.00.
- Interested in living on Campus during WiSE UP?
  - › Residence Hall Housing is available for Early Arrival students and can be arranged through UW Housing and Food Services (HFS).
  - › Contact: (206) 543-4059 or [hfsinfo@uw.edu](mailto:hfsinfo@uw.edu)

## BENEFITS OF THE EARLY ARRIVAL EXPERIENCE

Engaging and energetic three-day commuter experience for Direct to College students to engage with the engineering academic community and your peers who will become an integral part of a successful transition.

## BENEFITS OF THE ACADEMIC YEAR EXPERIENCE

- Introduction to resources, strategies and learning processes that help students be productive and successful in college.
- Participation in a quarterly one credit academic supplemental class for first year mathematics, chemistry and physics courses.
- Registration in engineering Special Topic courses during Winter and Spring quarters such as The Guaranteed 4.0 Learning System and The PEERS seminar: Leadership Development to Promote Equity in Engineering Relationships.
- Quarterly professional development seminars, Annual WiSE Conference, Society of Women Engineers (SWE), Career Guidance and more.
