# WiSE UP Bridge

## 2017-2018

## Engineering Bridge

 For the First Year Scholar 

Summer 2017 – Spring 2018

UW Seattle Campus

### WHAT IS WiSE UP BRIDGE

- A first year academic program with a focus on strengthening the incoming students' commitment to a future in engineering.
- Designed to build learning skills, academic preparation, clear and compelling understanding of the engineering profession, and success, beginning with WiSE Up and continuing with WiSE Bridge.

### WHO QUALIFIES FOR WiSE UP BRIDGE?

- UW Autumn Quarter 2017 incoming first-year students planning on majoring in engineering and/or computer science.

### BENEFITS OF WiSE BRIDGE: The Academic Year Experience

- Introduction to resources, strategies and learning processes that help students be productive and successful in college.
- Quarterly registration in a 1 credit academic supplemental class for first year prerequisites courses of mathematics and chemistry.
- Fall quarter: registration in Introduction to Engineering Design. A 3 credit course geared for the engineering major.
- Winter/Spring quarter: registration in an engineering Special Topic course.
- Bridge Institute: Monthly professional development seminars and trainings.
- Annual WiSE Conference, Leadership Summit, Career Guidance and more.

### BENEFITS OF WiSE UP: The Summer Experience

- An engaging and energetic 8 week commuter experience for incoming students to engage with the UW academic community and the peers who will become an integral part of a successful transition.
- Participation in Research for the Engineering Undergraduate (REU) class. A 3 credit course providing the engineering major introduction to and hands on exploration with real problem research in an engineering lab.

### WHEN IS WiSE Up: June 19 – August 11, 2017 • Summer Quarter

- Standard program days and times are Mon-Fri, 8:30a.m. – 5:00p.m.
- One weekend of participation is included and required in the summer program.
- Participants will attend the required UW Freshman orientation during the program duration.

### WHAT IS THE COST OF WiSE UP?

- Registration is **\$300.00**.
- Interested in living on Campus during WiSE UP?  
Residence Hall housing is available to WiSE UP participants and can be arranged through the UW Housing and Food Services (HFS) office.

### HOW DO I APPLY?

- Apply online at: <http://tiny.cc/WiSEBridge1718>

Application Submission Deadline: **Sunday, May 7th, 2017**
