WiSE UP BRIDGE 2018-2019

ENGINEERING SUMMER BRIDGE

For the First Year DTC Scholar

JUNE 18 - AUGUST 3, 2018

University of Washington - Seattle

Apply online at:

<http://bit.ly/WiSEUpBridge2018>

APPLICATION DEADLINE:
Thursday, May 17th, 2018

What is WiSE UP BRIDGE?

- A first year academic program with a focus on strengthening the incoming Direct to College (DTC) students' commitment to a future in engineering.
- Designed to build learning skills, academic preparation, clear and compelling understanding of the engineering profession, success, and community building beginning with WiSE UP and continuing with WiSE Bridge.

WHO QUALIFIES FOR WiSE UP BRIDGE?

UW Autumn Quarter 2018 incoming DTC first-year students planning on majoring in engineering and/or computer science.

BENEFITS OF WiSE BRIDGE:

- Introduction to resources, strategies and learning processes that help students be productive and successful in college.
- Quarterly registration in a 1 credit academic supplemental class for first year prerequisite courses of mathematics and chemistry.
- Fall quarter: registration in Introduction to Engineering Design (ENGR 202). A 3 credit course geared for the engineering major.
- Winter/Spring quarter: registration in an engineering Special Topics courses.
- Bridge Institute: Monthly academic and professional development seminars and training.
- Attendance at Annual WiSE Conference, Leadership Summit, Career Guidance and more.

BENEFITS OF WiSE UP: The Summer Experience

- An engaging and energetic seven week commuter experience for the incoming DTC student to engage with the UW academic community and the peers who will become an integral part of the successful transition.
- Participation in Research for the Engineering Undergraduate (REU). A 2 credit course providing the engineering major introduction to and hands on exploration with real problem research in an engineering lab.

WHEN IS WiSE UP: June 18 - August 3, 2018

- Standard program days and times are Mon-Fri, 8:30 a.m. - 5:00 p.m.
- One community building WiSE weekend of participation is included and required of all participants in the summer program.
- Participants will attend the required UW Freshman orientation during the program duration.

WHAT IS THE COST OF WiSE UP BRIDGE?

- **Registration fee is \$300.00**
- Interested in living on Campus during WiSE UP?

Residence Hall housing is available to WiSE UP participants and can be arranged through the UW Housing and Food Services (HFS) office. For more information contact the HFS Conference Services at (206) 543-7636 hfsconf@uw.edu.
