Discovery Days over Spring Break

• Alternative Spring Break: volunteer opportunity for UW CoE students
• Activities for kids, K-12, in 3 major WA state cities
• Presentations & info sessions for prospective UW students in high school

Expected Results

• Help those who are less privileged in not being able to afford the time or money to attend informational events at UW, such as Discovery Days
• Raise more awareness in Washington State about:
  • CoE at UW
  • projects that are being worked on in the CoE
  • opportunities for students at UW around Washington State.
• Provide UW students with a great volunteering opportunity over spring break.
