

APPROVAL FOR EXEMPTION TO PRINCIPAL INVESTIGATOR (PI) POLICY

This form is to request exemption to the Principal Investigator (PI) eligibility policy of the College of Engineering to enable listed employee to serve as PI on a single proposal, or for an approved time period of no longer than one-year, as outlined below.

Requested PI name: _____

Position: _____ Unit: _____

Single proposal

Proposal title: _____

Sponsor: _____ eGC1: _____ Sponsor deadline: _____

Time period: For approval to serve as PI on multiple proposals within a given timeframe, no longer than one year, and if applicable, appointment period _____

Waiver justification:

By signing below, Chair/Director of Department/Unit agrees to provide all required administrative oversight of proposals and resulting awards from PI granted exemption.

By signing below, PI agrees to comply with all applicable UW Grants Information Memoranda (GIMs) Administrative Policy Statements and Executive Orders pertaining to sponsored agreements, Export Control regulations, Effort Reporting requirements, College of Engineering grants policies and rules, and any additional Office of Research management plans. P.I. will complete all necessary training to insure compliant and ethical fulfillment of sponsored project(s) requirements including the UW Faculty Grants Management workshop. If awarded the P.I. will familiarize themselves with and comply with all sponsor requirements and all terms and conditions of the award.
