

Women in Science & Engineering Lecture Series

Presents The Winter Quarter 2021

Dine with WinE: Engineering in Health & Medicine

(Women in Engineering)

Biology is Electric!

'BioSystems Research in Electrical & Computer Engineering'

Thursday, March 4th, 5:00 PM – 6:00 PM

Zoom: 976 8340 8084

Azadeh Yazdan-Shahmorad
Washington Research Foundation
Innovation Assistant Professor
[Website: people.ece.uw.edu](http://people.ece.uw.edu)

Amy Orsborn
Clare Boothe Luce
Assistant Professor
[Website: people.ece.uw.edu](http://people.ece.uw.edu)

Electrical & Computer Engineering faculty share their backgrounds and discuss how electrical and computer engineering skills can contribute to a broad range of medical applications
